6/7/16

Dear Parents of Fall Student-Athletes

As you may or may not be aware, the NVRHS District is now using a software program called InfoSnap to manage registration for our athletic programs. **InfoSnap registration will open up by July 1, 2016.**

You will be receiving an email in regards to how to login and sign-up at the end of the month.

In addition to the online registration process a valid Pre-Participation Evaluation Form must be submitted to the Health Office and should be brought to the Main Office. A valid physical is one in which the date is after 8/10/2015. Pre-Participation Evaluation Forms can be found on our website (www.nvnet.org). Go to the Health Services on top and click on drop down menu for Forms. Print out the "Pre-Participation Examination Form". The submission of the **Pre-Participation Evaluation Form** along with the **online registration** needs to be completed by **July 29, 2016.**

Submission of examination form and /or online registration that occurs after July 29, 2016 could result in non-clearance to start practice on August 15 (Football is August 10). Any technical issues with the online registration please contact Julie Bookstaver at Bookstaver@nvnet.org or ext. 12345.

Go Norsemen!!

-The NVD Athletic Department
