

Norsemen Booster Membership Application 2017-2018

The Norsemen Booster Club is a parent-run organization that raises funds to support our sports teams and student-athletes. Our funds go toward many non-budgeted program items including: New and updated banners, championship plaques and senior pictures, senior scholarships, weight room upkeep, trainer golf cart maintenance, video equipment and analysis software, Hall of Fame sponsorship and much, much more. This year the club has made a significant donation toward the new scoreboard for the turf field. All in support of our first class athletes and programs.

In addition to providing these items, the Boosters will awards up to FOUR scholarships to student-athletes who participated in four years of athletics at the High School AND who are members of the Booster Club.

Benefits of Membership

1. *Season passes* for all home and regular season athletic events
2. *Scholarship eligibility* for all seniors whose families are members
3. *Supporting our student-athletes* by providing programs, essential items and support items to improve athletic programs by filling budget gaps
