September 15, 2015

Dear Parent/Guardian:

This is to inform you of the New Jersey Department of Health and Senior Services (DHSS) administrative rule N.J.A.C. 8:57-4. The administrative rule 8:57-4 is as follow:

Children six months through 59 months of age attending any licensed child-care center or preschool facility shall **annually** receive at least one dose of influenza vaccine between **September 1** and **December 31** of each year.

Students who are not in compliance by the due date must be excluded from school for the duration of influenza season (through March 31, 2016) or until they receive at least one dose of the influenza vaccine.

Please have your Primary Care Provider (PCP) complete this form below and submit it to my office. In order to prevent a delay in the restart of school for your child on January 4, 2016, please return this form no later than **December 23, 2015**.

Thank you for prompt attention to this important matter. If you have any questions, please call 201-768-3200, ext. 13360.

Sincerely,

Debra Mogelesky, RN, MS
